1) APPLICATION:

These General Terms and Conditions (hereinafter referred to as "Conditions") for the sale of dried yeast or yeast cream products (hereinafter referred to as "Product") shall apply to each and every sale of Product made or caused to be made by Alto Pekin, LLC (hereinafter referred to as "Seller") to you, as the person or entity to which such sale has occurred or is to occur (hereinafter referred to as "Buyer"). These Conditions together with any individual sales confirmation (hereinafter referred to as "Confirmation") sent by Seller to Buyer whether or not executed by Buyer (hereinafter collectively referred to as the "Agreement") represent the final and exclusive agreement of Seller and Buyer with respect to the sale of Product by Seller to Buyer and shall take precedence over and override any terms or conditions stipulated, incorporated or referred to by Buyer whether in any order, in any negotiations, or otherwise. If not previously accepted, or deemed accepted, by Buyer, the Agreement shall be deemed to have been accepted by Buyer unless Seller receives written notice of Buyer's objection to the Confirmation within forty-eight (48) hours of Seller's sending such Confirmation to Buyer in accordance with the provisions of Section 15 below. Seller shall be entitled to update and/or amend these General Terms and Conditions regularly and by and as of the moment of notifying Buyer of such update or amendment, or by posting updated Conditions on its website, or by sending Buyer the updated or amended General Conditions. Any such revisions shall be effective as of the date Seller makes such revisions.

2) QUOTATIONS, ORDERS, AND CONFIRMATION:

Price quotations (hereinafter referred to as "Conditions") made by Seller in whatever form, are not binding upon Seller and merely constitute an invitation to Buyer to place an order. All Quotations issued by Seller are revocable and subject to change without notice. Orders are not binding until accepted by Seller as evidenced by a Confirmation. Seller shall be entitled to refuse an Order without indication of its reasons. Quotations based on estimated or projected quantities are subject to increase in the event that actual quantities purchased during the specified period are less than the estimated or projected quantities. Statements and agreements made by Seller's employees, officers, representatives and/or agents are not binding upon Seller unless, and only to the extent that, these are confirmed via Confirmation or made in writing by duly authorized representative(s) of Seller. Except as provided for in Section 4, any samples supplied to Buyer are supplied solely for information purposes and in no way imply any express or implied conditions or warranties of any kind, including as to quality, description, merchantability, suitability or fitness for any purpose and Buyer shall be deemed to have satisfied itself as to such matters prior to ordering the Product. 2.5 Each delivery shall stand as a separate transaction and any failure to deliver shall have no consequences for other deliveries.

3) PRICES, PAYMENT AND BUYER'S CREDIT:

The price of Product shall be set out in Seller's Confirmation. The amount of any taxes levied in connection with the sale of the Products to Buyer shall be for Buyer's account and shall be added to each invoice or separately invoiced by Seller to Buyer. If Seller grants a discount, this discount shall only relate to the delivery specifically mentioned in Seller's Confirmation. Unless the prices have been indicated as firm by Seller in the Confirmation, Seller is entitled to increase the price of the Products still to be delivered if the cost price determining factors have been subject to an increase. These factors include but are not limited to: raw and auxiliary materials, energy, products obtained by Seller from third parties, wages, salaries, social security contributions, governmental charges, freight costs and insurance premiums. Seller shall notify Buyer of any such increase. All payments shall be made in U.S. dollars and must be received by Seller within the payment terms stipulated in the Agreement without deduction, discount, offset or counterclaim. If no payment due date is otherwise specified in the Agreement, the Buyer shall pay Seller within ten (10) days of Seller's invoice date based on the date of loading or unloading, as applicable. Seller reserves the right to charge Buyer interest for late payments at the rate of 1.5 % per month, but in no event in excess of any legal limit, for the period of time that any payment under the Agreement is past due. Stipulation of interest rate does not imply granting of extended credit, nor does it relieve Buyer of the obligation to pay by the due date, nor does it deprive Seller of any right it has hereunder, in law or otherwise, including, but not limited to, at its option, suspending or terminating the Agreement. Buyer shall notify Seller of any dispute with respect to an invoice within seven (7) days after the date of invoice. Upon expiration of the seven (7) day dispute period, Buyer shall be deemed to have approved the applicable invoice.

4) QUALITY, AND EXAMINATION AND LIMITED PRODUCT WARRANTY:

On delivery and during the handling, use, processing, transportation, storage and sale of Product, Buyer may inspect, test and take samples of Product to satisfy itself that Product received meets all agreed specifications ("Specifications") and contractual requirements. A determination of whether or not delivered Product conforms to Specifications as stated in Seller's Confirmation or, in the absence of agreed Specifications, to the most recent specifications held by Seller at the time of delivery of the Product, shall be derived solely by analyzing the samples or records retained by Seller and taken from the batches or production runs in which the applicable Product was produced in accordance with the methods of analysis used by Seller. Products that Seller consents or directs in writing to be returned shall be returned to Seller at the risk of Buyer, to the destination directed by Seller. Upon Seller's receipt of notice of Product non-conformance

from Buyer, Seller shall be entitled to suspend all further deliveries until the complaints are established to be unfounded and/or refuted or until the defect has been fully cured. Absent written notice of Product non-conformance, Buyer's acceptance of delivery shall be deemed to have accepted said Product, AS IS. Buyer waives any claims against Seller respecting the condition, quality and/or fitness of the Product so delivered and accepted, anything in the National Grain and Feed Association Feed Trade Rules ("NGFA Rules") notwithstanding. If and to the extent Product fails to meet Specifications, Seller may at its sole option within a reasonable time replace Product at no charge to Buyer, or issue a credit for any such Product in the amount of the original invoice price. Accordingly, SELLER'S OBLIGATION SHALL BE LIMITED SOLELY TO REPLACEMENT OF THE PRODUCT OR FOR CREDIT OF THE PRODUCT. Seller's obligation to replace or issue credits shall be contingent upon receipt by Seller of timely notice of any alleged non-conformance of Product in accordance with Section 15 of these Conditions and, if applicable, the return of the Product. THE FOREGOING WARRANTY IS EXCLUSIVE AND IN LIEU OF ALL OTHER WARRANTIES, REPRESENTATIONS, CONDITIONS OR OTHER TERMS, EXPRESS, IMPLIED, STATUTORY, CONTRACTUALLY OR OTHERWISE, INCLUDING, WITHOUT LIMITATION, ANY WARRANTY OF MERCHANTABILITY, SUITABILITY OR FITNESS FOR ANY PURPOSE, OR ABSENCE OF INFRINGEMENT OF ANY CLAIM IN ANY INTELLECTUAL PR

In the event of termination on the basis of Section 6 of these Conditions, Seller shall, without prejudice to any other rights of Seller, be entitled to require immediate re-delivery of the Product for which it may invoke a retention of title.

6) SUSPENSION AND TERMINATION:

If (a) Buyer is in default of performance of its obligations under the Agreement; or (b) if Seller has reasonable doubts with respect to Buyer's performance of its obligations under the Agreement and Buyer fails to provide Seller with adequate assurance of Buyer's performance prior to the date of scheduled delivery, in any case within thirty (30) days of Seller's demand for such assurance; or (c) if Buyer becomes insolvent or unable to pay its debts as they mature, or goes into liquidation (for purposes other than a reconstruction or amalgamation); or (d) any bankruptcy proceeding shall be instituted by or against Buyer or if a trustee or receiver or administrator is appointed for all or a substantial part of the assets of Buyer; (e) or if Buyer enters into a deed of arrangement or makes any assignment for the benefit of its creditors, then, without prejudice to any other rights of Seller, Seller may by notice in writing forthwith (i) demand re-delivery and take repossession of any delivered Product which have not been paid for, for which purpose Buyer hereby grants an irrevocable right and license to Seller to immediately enter upon all or any of the premises where the Product are or may be located and all costs relating to the recovery of the Product shall be for the account of Buyer; and/or (ii) suspend its performance or terminate Seller's Confirmation for outstanding delivery of Product unless Buyer makes such payment for Product on a cash in advance basis or provides adequate assurance of such payment for

If the financial responsibility of Buyer should at any time become impaired (including but not limited to insolvency, bankruptcy or receivership proceedings), unsatisfactory or unacceptable credit as determined by Seller in its sole discretion, or if sales would or could exceed then approved credit lines, then Seller shall have the right to demand security or advance cash payment which shall be delivered to the Seller by the Buyer within two (2) business days of Seller's first demand, and deliveries of product may be withheld until such security so demanded by Seller is received. If such security is not received within the time specified by Seller, this shall constitute a material breach and Seller shall then have the right (in addition to and without waiving any other rights which Seller may have) to immediately terminate its performance hereunder without any liability therefor. In addition, in the event of such a material breach, all amounts owed by Buyer (including amounts not yet invoiced) shall be immediately due and payable. Seller has the right to reduce or eliminate Buyer's credit line upon giving written notification to Buyer. Seller's rights under the Agreement shall not be affected or impaired by Seller's having either accepted late payment from Buyer or having allowed Buyer to exceed approved credit lines on other occasions.
